"Drama in Worship"

Pauline Jones, Lay Preacher

Heald Green URC

Thursday 29th March, 7.30 pm

We have long recognised the value of Drama in worship, but we have been nervous about introducing it. Pauline is both experienced and expert in this field and will take us through the opportunities it presents, and the best way of grasping them.

For Lay Preachers and Worship Leaders - anybody involved in leading worship.

Directions to Heald Green URC on reverse.

There is no charge to participants.

Directions to Heald Green United Reformed Church

Heald Green URC is on the B5358, Wilmslow Road, Heald Green. The road is in a north/south orientation, and is easily accessed from Exit 3 (A34) from M60, going in the direction Cheadle/Wilmslow. Almost immediately, drive straight across a set of traffic lights, on a dual carriageway. After passing the entrance to Broadway, on the left, the next exit leads to B5358. Take 3rd exit at the exit roundabout, and then straight over the roundabout immediately following, following signs for Heald Green. Go through a set of traffic lights and you shortly come to a set of shops on your right. A bit further on, Heald Green URC, a modern building on your right, is opposite a bus shelter and Central Drive.

If you are approaching from the opposite direction, the south, the entrance drive is immediately after a bus shelter and hedge, on your left. Car Parking is at the back of the church.

From the west, driving along Simonsway and Finney Lane will bring you to the second set of traffic lights mentioned above. Turn right.

From the Cheadle Hulme, Bramhall direction, look for Stanley Road on your A-Z and join the B5358 by turning right (north) from Stanley Road, at the T-junction traffic lights. Look for the bus shelter on the left, following Queensway, on your left., which is just before the entrance drive to the car park.

For those with sat-navs, use the post code SK8 3BH, but this is not very accurate. A map of the church's location can be found on our website www.healdgreenchurches.org.uk/urc, and then click on the menu item "How to find us".

By bus, the 130 runs past the church. From either direction, ask for "Long Lane Church".

By rail, travel to Heald Green station, walk up the entrance drive, turn right and then walk the route outlined in the paragraph above. Or that part of the journey can be lightened by taking the 368 or 369 bus as far as the Griffin Pub, which is just by the traffic lights referred to in the third paragraph. Turn right and a short brisk walk will enable you to arrive at Heald Green URC in fine fettle.
